

Web Design Overview

Affordable, Professional websites, that you can update yourself easily.

Our state of the art Content Management Systems (CMS) enables you to place content onto your website, without knowing all the technical jargon or the need for a third party. Its as easy editing a word document.

All packages boast the following:

- 100mb of online-disk-space
- 25 email addresses
- 10GB of monthly bandwidth
- Free support
- Daily back-ups
- World-class facilities and design

Update your own web site as if it were a word document! No need to learn/know all the technical jargon – i.e. HTML, PHP, JAVA. If you can use a mouse and keyboard – You can become a webmaster!.....jus by inserting fonts, colors, contact forms etc.....!

How the system works:

We create an initial theme for your site. Then all you have to do is email us a copy,(in any format you wish – word, excel, etc) of what you would want to change and our specially designed CMS does the rest!

Start-up Fee	Monthly Fee	Additional Cost	Description
±R 299	R 154.95	R 0	<p>This package includes the following:</p> <ul style="list-style-type: none"> ➤ Hosting 100mb of online-disk-space ➤ 25 email addresses ➤ The ability to update your website yourself ➤ Free support ➤ The initial design of your Websters Theme ➤ Unlimited Pages
